

Fire Inside (It's Burnin')

I feel a fire inside.
No no, it's not love or pride.
I feel a fire inside.
And my hands are tremblin'.
And my mind is ramblin'.
And tears run down my face.
Oh Lord, I beg for grace.

I feel desire inside.
Oh oh, I can't sleep at night.
I feel desire inside.
And my eyes are screamin'.
And my thoughts are dreamin'.
And sweat runs down my face.
Oh Lord, I beg for grace.

I feel a darkness inside.
My soul is empty this night.
I feel a darkness inside.
And my heart is burnin'.
And my choice is turnin'.
And my love turns to hate.
Oh Lord, it must be late.

I feel so lonely inside.
I feel no body beside.
I feel so lonely inside.
And my arms get weaker.
And my body's get'n deeper.
And the light goes out one night.
Oh Lord, don't mess my pride!
