

Poor Politicians (-I-)

I'm a poor politician,
I can't take a decision.
I hope you agree,
that I take your mission.
I pay no taxes,
drive an official car,
have a house in the green
with a great backyard.

Well I tell You lies
and You set your faith on them.
I tell your head off
'till You take it from me.

I promise You jobs
them you will never get,
quarters You will never rent.

I promise You income
that you will never earn,
leisure You will never enjoy.

For the election contest,
I'm lavish with Your taxes.
I hope you vote me to the chair,
so that I don't have to loose my face.
