

Soulsister

Hey soulsister
You are a part of my heart
You are a part of my mind
and I miss You!

Hey soulsister
I want to talk to your heart
I want to talk to your mind
and I miss You!

Hey soulsister
I want to feel with your heart
I want to feel with your mind
and I miss You!

Oh yeah my soulsister
you can't get out of my mind and you follow me in my dreams.
You are my mindcatcher, heartcatcher, soulcatcher.

Everywhere I go, I see you in my mind.
Everywhere I go, I feel You in my heart.
Everywhere I go, I hear You in my soul.

Oh yeah my soulsister
you can't get out of my mind and you follow me in my dreams.
You are my mindcatcher, heartcatcher, soulcatcher.
Oh yeah my soulsister
you can't get out of my mind and you follow me in my dreams.
You are my mindcatcher, heartcatcher, soulcatcher.
