

That's What I Long For ...

Why do I lose my mind,
when I must think of you,
when I see you in thoughts, but you're not here.
Why do I lose my mind,
when I don't know where you are now
and I want to be near by you now.
Why do I lose my mind,
when I want talk to you,
but you are many miles away.

I want to be more than your friend.
That's what I long for!
I want to be a part of you.
That's what I long for!
I want to read your mind.
That's what I long for!
I want to win your heart.
That's what I long for!

I want to hold you close.
That's what I'm looking for!
I want to breathe your air.
That's what I'm looking for!
I want to squeeze your body.
That's what I'm looking for!
I want to lust for your love.
That's what I'm looking for!

That's what ...
... I long for
... I'm looking for
... I have to have
... I long for

If you don't mind me say
I think, I love You!
If you don't mind me say
I want you to love me!
That's what I long for
