

Under Suspicion

You're under suspicion
that you stole my heart.
You're under suspicion
that you deal with my soul.
You 're under suspicion
that you play with my feelings.
You 're under suspicion
that you're turning my head.
But I don't accuse you Baby,
cause you're the queen of my heart.

Well I ain't no Detective
for the crimes in the name of love.
But i'm a victim
of the crimes in the name of your love.
Ain't no Agent
for the crimes in the name of love.
But i'm a victim
of the crimes in the name of your love.

You made a confession
that you stole my heart.
You made a confession
that you deal with my soul.
You made a confession
that you play wit my feelings.
You made a confession
that you're turning my head.
But I don't accuse you Baby,
cause you're the queen of my heart

Well I ain't no Detective
for the crimes in the name of love.
But i'm a victim
of the crimes in the name of your love.
Ain't no Agent
for the crimes in the name of love.
But i'm a victim
of the crimes in the name of your love.
